

FluorTecno is excited to invite you to our booth **B-189** at the **IVS 2024 International Exhibition** from May 14 to 16.

We can't wait to see you there in order to let you know more about our FFKM innovation: **KAFLON®**

FluorTecno produces also:

- **CNC PTFE parts** up to $\varnothing 2000$ mm
- **PTFE components** and seals
- **Elastomeric gaskets** and parts
- **FluorCap™ encapsulated O-Rings**

And many more
